Message for the KMC

Our youth are our first priority! This summer most of the Department of Defense sponsored agencies in the KMC have joined together to make the "KMC Youth Connection" possible!

By working together, we are ensuring that our community's resources are utilized to the maximum extent. Our goal is to provide a fun and diversified summer program for youth and their families. Take this opportunity to get involved as a participant, parent or volunteer!

YOUTH VOLUNTEER OPPORTUNITIES CONT'D

Red Cross

Summer is coming and once again, it's time for the American Red Cross Summer Youth Volunteer Program. Did you know youth and young adults up to age 24 are the fastest growing segment of the Red Cross volunteer staff? Last summer, over 70 youth volunteered throughout the KMC community, reporting over 2500 service hours. In addition, high school age Air Force dependents can earn money for college while volunteering through the Y.E.S. program.

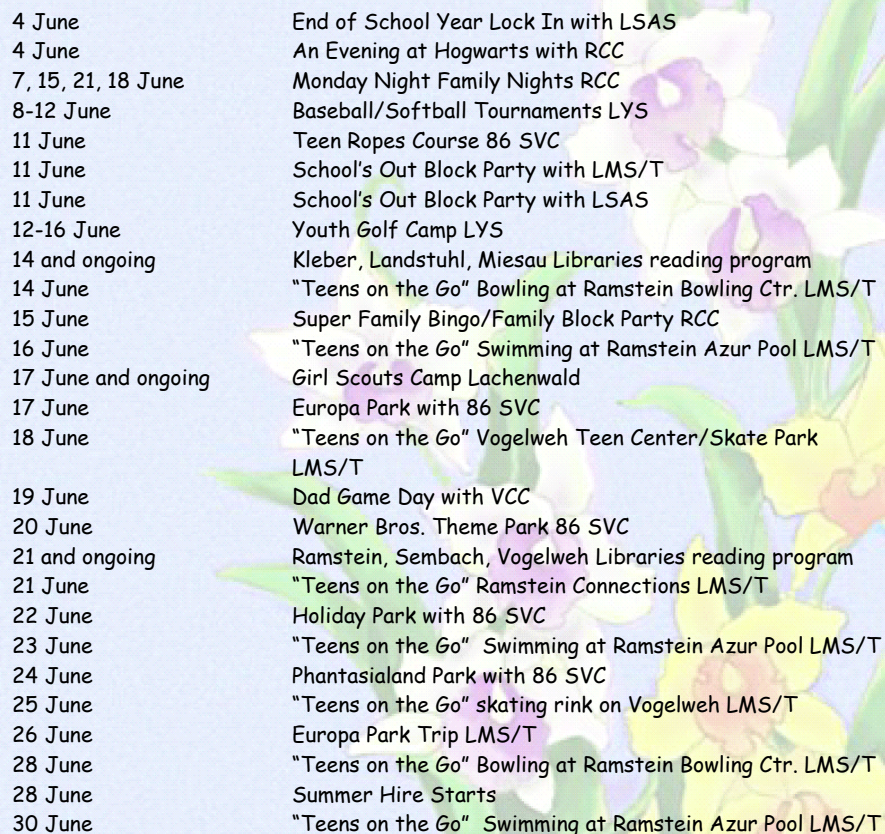

Opportunities are available in the clinics, libraries, the Passenger Terminal and many other locations on Ramstein, Landstuhl, Vogelweh and Sembach. The program will run from June 14th through August 27th. All applications are due by June 4th, and placements will be made on a first-come first-serve basis, subject to the placement requirements.

To learn more about the program, please contact the KMC Red Cross office at Civilian 06371-47-2171/5464 or DSN 480-02171/5464. Applications are available at all ARC offices on Landstuhl, Kleber Kaserne, and Ramstein.

CURFEW POLICY KMC Instruction 36-2901

Between the hours of 2300-2400, there will not be loitering, and minors will not be allowed outdoors except when returning to quarters by using the most direct route. From 2400-0600, minors are not to be out of quarters unless accompanied by a parent, guardian, or other responsible adult who has been entrusted with their care. On occasion, certain functions which cater to our youth, i.e., motion pictures, AYA programs, roller rink, etc., end at or about 2400 hours. Minors leaving such functions will be allowed a period of not more than 30 minutes to proceed to their homes by the most direct routes possible without disturbing the peace.

Child Supervision KMC Instruction 32-6003, 24 August 1998

**Minutes Matter! Tempted to leave your child for "Just a Minute"?
Think Again!**

Minutes can mean administrative action ...or your child's life!

- Children under age 5 must be accompanied by an adult, even cars, stairwells, and playgrounds
- Under age 10 must also be attended at all times (5-9 year olds can be within hearing distance of the care giver)
- child care providers must be at least 12 years old
- care cannot exceed 10 hrs/week or be overnight

Home Alone Policy August 98 and Excerpts from 415th BSB Policy Letter on Supervision of Children and KMC Housing Regulation

Children under age 5 must be accompanied by an adult or approved child care provider in areas including stairwells and playgrounds.

Children under age 10 will be attended by an adult or approved child care provider at all times (not left alone while parents are away). Children (5-9 years old) will be within hearing distance of their care giver or be able to reach the care giver immediately, as appropriate to the age of the child.

Child care providers must be at least 12 years old to baby-sit and may not care for children over an extended period of time (defined as more than 10 hours per week) in their home, or provide overnight care. AFI 34-701, Child Development, governs family day care in MFH. Check with the KMC Family Day Care Coordinator on rules for providing childcare in your home.

Children under 14 years of age may not be left alone overnight in quarters. Children who are 14 and 15 may be left overnight in quarters for a period not to exceed 24 hours. Parents must designate a responsible adult or individual to periodically observe the child or children, a medical power of attorney is recommended to facilitate any required medical care. Children between the ages of 16 and 18 may be left overnight in quarters for a period not to exceed 72 hours. Parents who leave their children alone will also notify their first sergeant or squadron commander of their designated responsible adult, providing name and phone number. Parents will brief their dependent teenagers of actions to take in case of fire, loss of utilities, prowlers, and military or medical emergencies, and will be reminded of noise restrictions. Under no circumstances, regardless of age, will children be left alone who cannot take appropriate emergency measures, or who have a history of significant misconduct.

Dependents and guests are not allowed to use maid's rooms as sleeping quarters due to fire safety codes (except four-plex, duplex and single units).

Children are not permitted to:

Play in stairwells, maids rooms, attics, basements, hallways, open windows, window well covers, garages, on building roofs, ledges, under first floor balconies, or in front of stairwell and building entrances.

Damage, dirty, or deface buildings (e.g., writing on walls, throwing mud or balls against buildings.)

Dig in or otherwise damage landscaped and lawn area.

Climb in or damage trees or disturb felled branches in unapproved areas (woods).

Take out garbage unless supervised or able to close dumpster lids.

Play in or around refuse containers.

Roller-skate or bounce balls in their housing unit.

For safety of your children they should not play in stairwells, streets, or parking areas on foot, roller-skates/blades, or skateboards. Rollerblading in base housing is only permitted on designated bike roads. Failure to control children can be cause for eviction from MFH
